Congratulations on your decision to buy an ENERGY STAR Qualified Refrigerator or Freezer. It's good for you, your family, and the environment. Thank you!

Savings and energy efficiency experiences may vary. Valid for purchases made January 1, 2012 - December 31, 2012. All rebate requests must be postmarked no later than January 31, 2013. Limit: One refrigerator and one freezer rebate per Massachusetts residential electric account per calendar year. Eligible refrigerator or freezer must be installed in Massachusetts. Refrigerator must be 7.75 cu. ft. or larger to be eligible. Excludes compact models. For more information, call: 1-877-318-6460 or visit Smartenergy.com/MassSave. This rebate offer is available to all Massachusetts residential electric customers of participating utilities and energy efficiency service providers and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer; however, it can be combined with American Recovery and Reinvestment Act (ARRA) incentives. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EPP) has the unilateral right to apply for any SO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EPP with such further documentation as the EPP may request to confirm the EPP's ownership of such benefits.
